Résumé en anglais	Tourism has extensively contributed to shaping Balinese society, connecting resistance, assimilation and creation for almost a century. But what about the effects of tourism on the guest population? Between the end of the 20th and the dawn of the 21st century, tourism spread around the world in emerging societies, contributing to the Third Tourist Revolution. Indonesia, and more especially Bali, is one of such of destination, questioning the accusation of standardization generated by tourism globalization...
